WTC Goa Showcases Global Excellence through Member Presentation: ROCKYS Entertainment and Event Management

WTC Goa had the distinct honour of presenting to the global platform one of its most prominent members, ROCKYS Entertainment, an internationally acclaimed business helmed by Mr. Roque Quadros, a multifaceted entrepreneur and industry veteran with over four decades of experience in the global entertainment ecosystem and Founder Director of 4 Seasons Entertainment (Dubai). Mr. Quadros began his professional journey in Mumbai within the travel industry before expanding his horizons to the Middle East, where he established his base in Dubai. His early years in Dubai were marked by significant contributions to landmark initiatives, most notably his involvement in the organization of the Dubai Shopping Festival, an event that has since evolved into a globally recognized brand and a benchmark in destination marketing. Building on this success, Mr. Quadros ventured into the MICE (Meetings, Incentives, Conferences and Exhibitions) segment, where he developed deep expertise in set management and the organization of large-scale trade events, conferences, seminars, and exhibitions. With over 6,000 international events delivered across India and the UAE, his professional journey spans entertainment, MICE, travel experiences, educational programs, fitness initiatives, and coaching. He has collaborated closely with global brands, luxury hotels, universities, artists, and entrepreneurs, converting raw ideas into well-structured, scalable, and outcome driven experiences. His expertise includes corporate events, high-profile gala dinners, conferences, incentive programs, executive meetings, alongside Bollywood concerts, award nights, large-scale entertainment productions, and destination-led experiences—each executed with precision, discipline, and commercial clarity. Beyond his business accomplishments, Mr. Quadros is also a certified karate Sensei, reflecting his passion for martial arts and self-discipline. He actively conducts karate and self-defence training programmes, under scoring his commitment to personal development and community empowerment.

Drawing from his rich and varied life experiences, Mr. Quadros has authored a book titled “The Day I Lost!”, which candidly chronicles his struggles, resilience, and eventual rise to success in the highly competitive entertainment industry. The book stands as a source of inspiration for aspiring entrepreneurs and profession also alike.

Today, ROCKYS Entertainment is a globally respected name, renowned for its ability to curate and manage international entertainment experiences and facilitate the engagement of celebrities and global stars across continents.

WTC Goa warmly welcomes Mr. Quadros’ decision to make Goa his operational base, a move that is expected to significantly benefit the state. His presence and global network will contribute meaningfully to positioning Goa as a preferred destination for tourism, entertainment, and the MICE sector. The legacy and strength of the ROCKYS brand are poised to play a catalytic role in propelling Goa onto the global map as a vibrant hub for these sectors
